

April School Holiday Program

Specialty Workshops

Zany Yare is excited to offer a range of specialty courses this April that will allow you to focus and build on your favourite and new circus skills. These classes will run on the last week of the school term and during the School Holidays.

Primary General Circus Intensive

Join Zany Yare these holidays for fun, games and circus in a 3 day intensive! It is suitable for both new students and those that want to extend their skills. As well as all the usual skills we offer, learn how to make juggling balls, twist balloon animals and create your very own circus act. At the end of the 3 days, students will have the opportunity to show their family what they have learnt in an informal display, should COVID restrictions allow.

Performance Intensive

This intensive will give students the opportunity to learn performance building/development in roving, solo and ensemble circus acts. Each Student will begin to develop either a solo or duo act and be part of a group act that will be inspired by this year's Show Theme. At the end of the intensive, students will show their work in a creative development showing, 21st April 8-9pm, for family and Zany Yare instructors. Should COVID restrictions change, the showing will be for Zany Yare instructors only.
