

July School Holiday Program

Specialty Workshops

Zany Yare is excited to offer a range of specialty courses this July that will allow you to focus and build on your favourite and new circus skills. These classes will run during the School Holidays.

Primary General Circus Intensive

Join Zany Yare these holidays for fun, games and circus in a 3 day intensive! It is suitable for both new students and those that want to extend their skills. As well as all the usual skills we offer, learn how to twist balloon animals and create your very own circus act. At the end of the 3 days, students will have the opportunity to show their family what they have learnt in an informal display, should COVID restrictions allow.

Performance Intensive

This intensive will give students the opportunity to learn performance building/development in roving, solo and ensemble circus acts. Each Student will begin to develop either a solo or duo act as well as touch on physical theatre, puppetry and clowning.
