

January 2024 School Holiday Program

Youth Intensive

This intensive will give students the opportunity to learn general circus skills as well as performance building/ development of roving, solo and ensemble circus acts. The workshops will touch on aerial acrobatics, prop manipulation, stilts, unicycle, acrobatics, physical theatre, puppetry and clowning.

Specialty Workshops

Zany Yare is excited to offer a range of specialty courses this January that will allow you to focus and build on your favourite or/new circus skills.

Primary General Circus Intensive

Join Zany Yare these holidays for fun, games and circus in a 3 day intensive! It is suitable for both new students and those that want to extend their skills. As well as all the usual skills we offer, learn how to twist balloon animals and create your very own circus act. At the end of the 3 days, students will have the opportunity to show their family what they have learnt in an informal display.

Primary Aerial Intensive

This intensive will give students the opportunity to develop their aerial skills in a focused class dedicated to Tissu, Aerial Ring and Static Trapeze.

Location

Springwood Boys and Girls Club
27A Tusculum Rd, Valley Heights
